### THE EDITOR SAYS...

Greetings freaks. Perverts. Drunks. And the mildly curious. But mostly drunks. To this, the first "upsized" edition of NZX. Dig in and enjoy! — ANDREW X

# HOT ZONE

## FROM THE EDITOR...

Greetings freaks. Perverts. Drunks. And the mildly curious. But mostly drunks. To this, the first "upsized" edition of NZX. Ahh shit, did I say that same thing on page three? Nevermind.

Yes, New Zealand's favourite magazine just got bigger. Possibly like your cock.

Right here I shall take the opportunity to introduce you to some of our new features. So that you'll feel at home. Maybe grab yourself a cup of tea. Or just grab yourself.

**HOT ZONE** is where you are now. This is where we introduce and speak to the kiwigirls who have pictorials in this issue. Plus there's items of interest from home and abroad. By which we mean "stuff that made us laugh". Or squirm. Or at least raise an eyebrow.

**HOT SPOT** (page 28) is our new cultural dossier. Movies, music, sport, whatever we can cram in there. Maybe some elephants. Or a lemur.

**XXX ZONE** (page 54) is our guide to "nature films", or as they say in polite circles, "Watch out grandma, it's PORNO!!" We look at some of the best, jerk ourselves silly, and report back.

**WWWANK** (page 68) is our regular trawl through the best (and worst) smut from the interknob. Yep, it's a deep probe into the brightest, darkest....or sort of mildly lit vestiges of humanity.

Some of our regular features return: **ASK VINNIE** remains the best and last word in advice columns. **VAPID LIVES** is the new name for our "entertainment news."

And of course **KIWIGIRLS**. Our pictorials of local lasses released from the burden of their clothes. This issue rolls out four debutants.

Got a comment? You can contact me at [editor@nzxmag.co.nz](mailto:editor@nzxmag.co.nz) or just get high instead.

KIWIGIRL  
JENNIFER  
PRESENTS  
"TITS: A PLAY IN  
TWO ACTS."

## BLASST FROM THE PAST

NZX has been photographing kiwigirls nude like nature intended since 2001. In that time, dozens and dozens of girls have cast aside their clothes and given us the gift of nudity.

A new feature in NZX is **BLASST FROM THE PAST**. This is a brief pictorial of unpublished shots from one of our previous photoshoots. Email [editor@nzxmag.co.nz](mailto:editor@nzxmag.co.nz)

and tell me which girls you want to see in **BLASST FROM THE PAST!**

In this issue we revisit Jennifer, one of our favourite kiwigirls. She's an Auckland chick who first appeared in issue 10 of NZX, returned in issue 16, and on both occasions put in a five star performance of tits, followed by a triumphant rendition of ass.

## KIWIGIRL FILES

Name: NATASHA

Age: 27

From: NORTH SHORE

**Hey Natasha. Tell us what you're into?**

I like modeling and photography — nude, glamour, portraits. I've done some of that before. And anything to do with big cats.

**How was the NZX photoshoot?**

It went really, really well. Much faster than we expected. It was a breeze.

**Where's a strange place you've had sex?**

Nowhere really strange... the kitchen table! Also on a boat — that's stranger.

**Do you have a favourite bonking position — port or starboard?**

Well, I like man on top! I like being close to my boyfriend.

**What's your favourite sexual activity?**

Oral sex. Giving and receiving.

**Do you swallow?**

You'll have to ask my boyfriend.

**Oh. What's the most revealing outfit you've worn in public?**

I'm more of a girl next door type. I like to leave it up to the imagination when I'm out, be more of a tease....and then they can see me nude when I pose for photos! ❄️

# GOT BOOTY

## KIWIGIRL FILES

**Name: JAMIE**

**Age: 28**

**From: SOUTH AUCKLAND**

**Hey Jamie. How was the photoshoot?**

It was really good. It's something I'd never done before....and not what I'd normally do. But sometimes I like to do strange things.

**Speaking of, where's a strange place you've had sex?**

On a BBQ table outside of my parents' house. And in a car at the beach. Other people came up and caught us going at it.

**What position's your favourite?**

On top. You get more control.

**What else do you like in bed?**

Apart from sleeping?! I like to be eaten out. I like to be looked at in a way that makes me feel like I'm "it". And I like having my bum played with. That turns me on.

**Sweet. Do you swallow?**

No. Not unless I have to....and occasionally I do have to. I enjoy sucking...

**What else do you enjoy?**

Hmm. I work at a gym. I like working out with weights; feeling those endorphins kicking in.

**Have you ever had sex in the gym?**

Err, yes! ❄

# ANNA KARUMBA! KOURNIKOVA FLASHES COVETED COOCH

Former professional tennis player and current full-time moocher Anna Kournikova, in the midst of an absent-minded stroll along a Miami beach, dreaming of Gucci bags, diamond earrings, fur coats, and a faceload of spooze, stuck her hand down her pants and pulled out a winner.

If by winner we mean a full on glimpse of her fully shaved cooch in full view of prowling paparazzi scavengers/ghouls/great men.

An intentional act perhaps? In one swift moment she raised her eclipsed-by-Sharapova profile from "former tennis chick" to "former tennis chick....with her smoo on 1,000,000 'nude celebrities' sites on the interweb."

Biased minds say, "Fuck yeah!" — **MR. XTRA**

## UP THE SHIT CHUTE, PASS GO, SINK THE BATTLESHIP... SMELL YOUR FINGER

Nothing spells the sweet satisfaction of revenge quite like shoving your finger up the ass of the person who has wronged you. Damn bitch done left you? Aha! Here's an index up the keister! Boss got you makin' him pots of coffee? Try to sit down after this one, fuck-o!

Ok, so maybe this thought has never crossed our mind, like, ever, but according to a Japanese arcade game called BOONG GA BOONG GA, it should have by now.

The arcade machine features a simulated, bent over ass in which you jam a plastic hand with a finger extended. The rougher you are, the more the character you picked before the game

started suffers. Aside from the "obvious" ones like ex-boyfriend or girlfriend, you also get to choose child molesters, gold diggers, gangsters, mothers-in-law, and con artists.

If you're married, imagine sticking your finger up your mother-in-law's ass.

Yeah.... or not.

But what you sick, fucking dudes are thinking is: "why the fuck do I even need some plastic finger to do my work? Alls I gots ta do is unleash the beast!" And that's why, dear readers, this game will never appear on our shores.

Meanwhile, we know all you gameaniacs are wondering, "how do you win?"

Ok, apparently, after you do your worst, you get a card that tells you about your sexuality, which is the most logical conclusion

considering how much hatred and angst-ridden tooling around in someone's corn hole can tell you about your libido. Those who hoped to be able to win the licensed outfits that the official Boong Ga Boong Ga mascots (a hand and a pile of shit) wear will be disappointed.

Name: **TESSA**

Age: **20**

From: **NEW PLYMOUTH**

Hey Tessa. Welcome to NZX.

Thank you.

**Tell us about getting wet for this photo shoot.**

Hehe... I got very wet. And not just from the hose. It was lots of fun.

**And what else gets you wet?**

Just whenever I'm in the mood. I can get in the mood quite quickly. Like if a guy just brushes my nipple, it's gonna set me off.

**And what happens next?**

I'll fuck him.

**How do you like to fuck?**

How? The usual way! Oh, I like doggy, standing, anything really. Variety.

**Where's somewhere odd you've done it?**

Mostly in bed....but also the park, the beach...

**Good kiwi spots?**

That's right. With my gumboots on.

**That helps with the wetness.**

Yeah, good for stomping through a puddle of my own love juice! Nah, I don't really wear gumboots. I don't like wearing anything. ☆

**Name:** KELLI

**Age:** 36

**From:** TAURANGA

**Hey Kelli. How was the photoshoot?**

It was awesome; great people, great time. I thought it would be fun and it was.

**Tell us something you like doing.**

Going for a great ride on a really nice motorbike.

**What about, er, other types of "great ride"?**

That as well. My favourite position is on top and riding hard.

**And where's an unusual place you've done it?**

In the back of a taxi van going down the main street.

**That's a good tip.**

It wasn't for the driver! Though I'm sure he enjoyed it happening.

**Have you ever worn a short skirt and no panties in public and been spotted?**

Yes....and good luck to them!

**What turns you on?**

I like watching all-girl movies while having sex with my partner.

**What attracts you to someone?**

I like a real kiwi guy, straight up.

**Any more public kinkiness?**

One time I was fingered at dinner and came just before desert! ❄️

# MOUNT UP

# COMMANDO PATROL

"LET'S GET THIS PARTY STARTED..."

"THIS ONE'S CALLED 'OOPS, HERE'S MY TWAT!'"

Li'l Kim lives life. Lives it like a drunken sailor lurching down a back alleyway with a pocketful of foreign coins. But lives it nonetheless. And what better way for a ho to be a ho than to be out on the town, letting her hair down. Or not down; evidenced by these pics, Li'l Kim's carpet's been replaced with smooth lino.

Having lied to a jury about one of her homies/hangers-on/bludgers gun habits, a year's jail beckons for Li'l Kim, the rapper known for her cameo on the remake of "Lady Marmalade" and her solo hits "How Many Licks?" and, umm, yeah, that other one. Jail time will of course mean (a) no dick, (b) no booze or meth, (c) apart from all the booze and meth that's smuggled in there, and (d) lots of rug munching. So she's making up for it here. Partying without panties.

Turns us on no end. — **MR. XTRA**

## ASK A FAT HO!

**Need to know something? Then ask a fat ho! Our resident fat ho is an expert on everything. But mostly donuts. And chips.**

DEAR FAT HO,  
With European economies looking to strengthen through a common currency, should New Zealand merge our dollar with Australia, other Asian countries, or wind up having to mortgage our pants just to afford a tank of gas?  
**Concerned, Wellington.**

Dear Concerned,  
Merging is good. I like to merge my main course with my dessert. I'll put whipped cream on my steak and cheese pie. I'll put tomato sauce on my Hokey Pokey ice-cream. I don't know much about economies but this works for me. And it works for my ass. So it might work for New Zealand. But only if i get to eat kangaroos.

DEAR FAT HO,  
Do you think more guys, or even one guy who isn't living in a house full of women and lost control of the remote, or isn't gay, would watch

Shortland Street if they added some hot chicks to the cast? And got them naked?  
**Dave, email.**

Dear Dave,  
Did someone say shortbread? On the street? A half-eaten packet? Err, that'll be mine. I think I dropped it. Or one like it. I'll just take it off your hands anyway. Oh, Shortland Street. That's one of my favourites to sit on the couch and grow my ass to. I'm especially keen on that doctor. The one in the white coat. He's dreamy. So's my gynecologist. Hey, did you say naked hot chips?

DEAR FAT HO,  
I've been invited to a party in Oranga. But, despite being a guy who's good with maps, I don't know where that is. Can

you help with directions? And shit?

**Lost Boy, Auckland.**

Dear Little Boy Lost,  
Well I had a map but I sat on it in 1997 and haven't seen it since. To find Oranga I'll direct you to the nearest KFC. Go to the one in Royal Oak. Then go to the one in Mt Wellington. This will take you through Oranga. And while you're there, I'll have some wings. And then some cunnilingus. While I eat the wings. ★

## HOW HIGH ARE WE?

Welcome to the debut of the newest NZX gameshow entitled **HOW HIGH ARE WE?** Where YOU get to guess how high we are!  
But first, SAY HELLO TO MARY POPPIN'S TITS. ALL FOUR OF THEM.

We jerked off to the above image?

- A) Once
- B) Still jerking off to it
- C) Who's Mary Poppins?
- D) If we tell you who Mary Poppins is, will you think we're gay?
- E) Yes
- F) All of the fucking above

Now, give it some thought and guess...

**HOW...HIGH...ARE...WEEEEE????!!**

## ENTERTAINMENT NEWS

**FAT & SKINNY HAD A RACE. FAT PUNCHED SKINNY IN THE FACE. FAT SAID TO SKINNY: CAN I GET MORE OF THOSE VIDEOS OF YOUSE WITH THAT COCK IN YOUR MOUTH?**

LOS ANGELES — Pop star KELLY OSBOURNE is furious with PARIS HILTON's boyfriend Stavros Niarchos Sausage — who she says ruined her 21st birthday party at the Hard Rock Hotel by trashing a neighbouring suite.

The 20-year-old shipping heir caused a staggering \$102,000 of damage by smashing the "cheap" furniture and setting off "the evil" sprinklers at the plush Las Vegas, hotel last month.

The carnage resulted in the entire hotel being evacuated — and Osbourne got the blame.

She fumes, "Paris' stupid boyfriend ruined my 21st birthday. It's so unfair. The manager tried to make me pay for it, but I was having none of it. I said no bloody way because I didn't do it. Stavros caused the damage, so he can pay. He's

a rich kid, and they don't appreciate anything because they grow up with it all. I find it really annoying."

Oh. We're sure you do.

**"MY HUSBAND, HAHHA, IS A TALENTLESS HACK!!" SAYS PERFORMER & PRACTICED EMASCULATOR BRITNEY**

FLORIDA — BRITNEY SPEARS reportedly has squashed husband KEVIN FEDERLINE'S hopes of becoming a pop star, and the last vestige of balls he ever had a hope of holding on to when she laughed at his first recorded efforts in the studio.

According to a report in *In Touch Weekly* magazine, Federline — who met the singer when he danced on one of her tours — was hurt by his spouse's response to his attempts to sing. The magazine

quotes an insider who claims Federline's songs were "greeted with hurtful laughter from his superstar wife, who was unimpressed. Long. Hurtful. Laughter. Almost guffaws really."

The insider adds, "She said his debut CD might sell 'a hundred, maybe a thousand copies if he was lucky,' while dragging on a cig, eating bon bons, and screaming at Conchita

to 'take care of that goddamned screaming brat.' Kevin looked really hurt. Which is par for the course for men who make deals with the devil."

**SCIENTOLOGISTS GROW CRUISE BABY IN OFFSHORE LABORATORY**

LOS ANGELES — TOM CRUISE and KATIE HOLMES, one part Lifetime channel cable

movie about the struggles of fag-hags/one part monkey-wrenched *Will and Grace* re-run, are reportedly expecting a child as soon as genetic engineers at a clandestine, Scientologist-funded laboratory floating somewhere in International waters figure out what the fuck is wrong with their hydroponic set-up.

Leslie Sloane-Zelnick, Holmes' estranged publicist, contacted *NZX* with the information that it is, indeed, impossible to get pregnant in the butt — a tidbit of information that had all of Greece, Italy, and Turkey resounding in a chorus of relief-laden sighs.

When reached for comment, Cruise grew expectantly slap-happy and loudly stated betwixt snapping fingers, "Some men just appreciate show-tunes, alright? It's not indicative of anything else, regardless of what you Mary's might like to think. I don't see how throwing one, or 20, cabana parties replete with shirtless men running amok in martini-fueled bouts of hugging could possibly be misconstrued as anything other than healthy, heterosexual bonding."

Later adding, "there is absolutely no reason to believe that holding onto dreams of being a flight attendant, meeting Cher, or just generally being fabulous is somehow inversely related to my... err... someone's ability to procreate. You bunch of sillies!!!"

Holmes declined our attempts to interview,

**FORMER PARIS HILTON PROTEGE, & FAN OF WOMEN WITH BODIES LIKE BOYS, BACKSTREET BOY NICK CARTER TO MARRY CHINEE WOMAN; CHINEE PEOPLE ABSOLUTELY "ERATED"**

LOS ANGELES — "Singer," man band, denim jacket wearing, and no-stranger-to-public-shaming-as-a-result-of-a-sausage-seeking-slut-ex-girlfriend, NICK CARTER is ready to marry Chinese actress BAI LING — just one year after he split from aforementioned slut PARIS HILTON.

Ling, who starred alongside known-lesbian JODIE FOSTER in *Anna and the King*, says the "pair" are "deeply" in "love" and "seriously" "considering" "marriage" in the "near" "future". Despite being 10 years his senior, she insists they are both ready to commit to a lifelong relationship of interracial misery.

The lunatic Ling, 35, says, "My boyfriend is a godsend. I didn't need any reasons to like him and I am willing to do anything for him. We are very romantic. To meet someone like that, I have to give my love to him and I do really love him. And he loves my cock."

**PARIS HILTON "SUDDENLY"  
REMEMBERS "MEETING" TOM  
"SLAPPY" SIZEMORE'S METH-  
FUELED SAUSAGE.**

LOS ANGELES — Socialite Sniz Gargler PARIS HILTON has slammed reports she denied ever meeting TOM SIZEMORE, but insists she has "never" had "sexual" "relations" with the troubled actor. Or BILL CLINTON.

In the new sex video, TOM SIZEMORE SEX SCANDAL, the troubled actor alleges he had a one-night stand with Hilton after a party at his house in 2001, when the hotel heiress was 19. Hilton quickly rushed out a statement denying his claims, saying, "He is not an acquaintance of mine, nor have I ever had intimate relations with him."

However, after Vivid Entertainment — the producers of Sizemore's sex tape — released a photo of the pair at the actor's house in 2001, the lying Hilton insists she has been unfairly portrayed as lying about ever meeting him.

Her new publicist, Jack Ketsoyan, says, "We never said she never met him. She never slept with him and he's not an acquaintance of hers. Well, OK, she never slept in the same bed with him. With her eyes closed. And ding donging wasn't really included in the definition of sexual relations that I was given. Look, she says she doesn't remember the party at all. And that's good enough for me."

## SOMETHING TO CROW ABOUT

What do you think of the new look?

Please, please let us know — don't just talk with your mates and tell them if you think it sucks or you don't like this or that — they can't do anything about it and probably won't tell us so we won't fix the problem.

I especially want to know about the size — A4 (this size) or A5 (the old, smaller, size)? A4 gives you more bang for your buck but is harder to hide when you wanna sneak off for a quiet wank. Know what I mean? So email [editor@nzxmag.co.nz](mailto:editor@nzxmag.co.nz) and let us know what YOU WANT!

Last time I wrote I was on my way to Berlin for the Venus Fair. You will soon start to see the results of the successes generated by that trip. It was awesome. We have secured the rights for some fantastic new movie lines: Marc Dorcel, 1st Strike, Nectar, Anarchy, Forum, Club Jenna, Shotz — you porn lovers are going to flip over this stuff.

On top of that I had a great weekend partying with some of my favourite people — I am so lucky to have broad shoulders to carry the load I have on them from all this hard work. More pics next issue but here's one now [top right].

Have you checked out the brand new [www.vixen.co.nz](http://www.vixen.co.nz) website? It has been three months in development and is undoubtedly the best site of its kind in the country. Our in-house web-team Phillip and Prentice have done an incredible job, thanks guys. Check it out and let us know what you think....oh and buy something while you are there.

The next of our sites to receive an upgrade is [www.nzxmag.co.nz](http://www.nzxmag.co.nz).

*Penthouse Pets*....last issue I promised to tell you which of our **NZX** Foxes have been selected to do a shoot for *Australian Penthouse*. Well, here they are: Vicky-Lee from **NZX** #39 and Brook from **NZX** #36. Here's a couple of photos to refresh your brains.

We are shooting Brook in December and have still to confirm with Vicky-Lee — she is hesitant about doing anymore nude modeling so write in guys and give her some positive feedback — do you want to see our own Vicky-Lee in *Penthouse*?

Brook is very excited and is busy as hell getting her already awesome body into the best possible shape for

Terry's camera. We are planning an outdoor shoot at a lakeside up north as well as poolside at a multi-million dollar North Shore mansion so it should be a great spread. If you are lucky we will sneak preview a couple of shots in a coming issue of **NZX**.

Oh, talking about *Penthouse Pets*, Hayley Marie (March 2004) — is considering doing a shoot for you guys and becoming our

cover girl early in the New Year. We have been trying to get her for ages so I am extremely excited about the prospect of her gracing our pages and revealing her all for you. Keep your fingers (and toes, and testicles) crossed!

Sorry this column's a bit short — to tell you the truth today is print deadline and I forgot to write this until my illustrious Editor reminded me half an hour ago. More next time — including details on possibly the most exciting development in Vixen's history!

Till then. Enjoy! ★

NZX GIRLS BROOK AND VICKY-LEE.

## EVOLUTION OF A STICK MAG: THE HISTORY OF NZX!!!!

If there's one question I hear more often than, "Are you gonna eat that?" Or "Did you come in my hair on purpose?" Or "No really, are you sure you're gonna eat that?" It's "How did you get started on NZX?"

That's a long story. But I can make it short.

Rewind to 1998 when, having previously been Editor of the music mag *Real Groove*, I started a magazine called *Brass*. *Brass* was a "men's lifestyle" magazine, an attempt to emulate the overseas success of publications like *Loaded* and *FHM*, which had then yet to gain a foothold in New Zealand.

(*Brass* was named *Brass* because I knew everyone liked ass. And what you find in a bra. So it would have subliminal impact. And, err, other proper reasons...)

The first issue of *Brass* went on sale in May 1999. And sold and sold and sold. Guys liked seeing local girls in the near-buff and reading local stories. What isn't known, is that before

the first issue of *Brass* hit the stands, a plan had been hatched for an adult version, which I titled *Brazen*. The *Brazen* idea was essentially the origin of what became NZX.

I left *Brass* (and the still-in-gestation *Brazen*) in 2000, jumping ship to *Ralph* — an Australian magazine which was planning to relaunch itself as *Ralph New Zealand* (albeit that it remained based in Sydney).

For that publisher I had the idea for a New Zealand version of one of their adult titles. In early 2001, *Picture Premium New Zealand* went on sale.

This was my first foray as Editor into adult magazines. *Premium* featured full-nude

pictorials of four kiwi chicks, spliced in with some Australian content. It too sold and sold and sold. Alas, *Premium*

also featured a "Win a Root" competition with an Auckland massage parlour which attracted some, err, controversy. Political pressure was applied and, despite its sales success, *Premium* was deemed too risky to continue.

Undeterred, I created a business plan for NZX magazine. I chose the name NZX because it communicated everything the magazine was going to be. Local — "NZ". And "X" — which could stand for X-rated, XXX, or sex. Or xylophone....but that market's too kinky even for me.

For the benefit of in-built advertising, I decided NZX would be strengthened if I joined forces with a local adult company.

There were two options in town and Vixen struck me as being the most progressive; I'd been impressed by the efforts of Steve Crow and Fiona Gibb to manifest the first Erotica Expo in 2000.

(I'd met Fiona in 1999 after the first issue of *Brass* was published, and Steve in 2000 when Vixen advertised in *Premium*. Fiona's long since departed from Vixen, by the way.)

From there, it was into production. I wrote and designed the first issue of NZX, which went on sale in November 2001 and it too sold....and the mag has continued to sell and sell.

Terry Mayo came on board as our principal photographer from issue six, and a steady stream of kiwigirls have passed before his lens.

This issue, one month past NZX's 4th birthday,

NZX'S FIRST KIWI COVERGIRL  
HOLLY: NUDE IN PARNELL!!

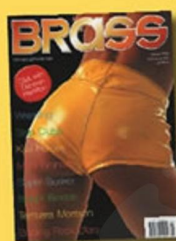

we celebrate with our first A4 "upsized" issue. From next year, **NZX** may revert to A5 "pocket size" again (the decision's not finalised at press time)....but, like deep fried ice-cream, we wanted to try this once.

That's the brief history of **NZX**. Likely there will be other magazines — a few options are kicking around at the moment — and more from **NZX**. Thus far, it's been a pleasure bringing you pleasure. Now go fuck yourself.

In a good way.  
— **ANDREW X**

## MY BACK PAGES...

The first issue of **Brass** with the infamous butt cover. Little known fact: the butt belonged to Auckland model Mellissa Harding and not Mrs. Paul Holmes, as many thought.

The first issue of **Ralph New Zealand** and the first (and only) issue of **Premium New Zealand**. The latter featured future **NZX** model Shawney naked on the streets of Hamilton. I'll sell you one for \$100!

# 12 REASONS TO LOVE CRICKET

With summer upon us, it's time to contemplate why we, in the immortal words of 10CC's "Jamaican Holiday", DON'T LIKE CRICKET, OH NO, WE LUURVE IT.

At least, as long as New Zealand's winning. Occasionally. And the 2005/2006 season promises to be a bumper one despite no test matches scheduled until March. Australia, Sri Lanka, and the West Indies are touring here. Zimbabwe aren't. And several key things are in New Zealand's favour:

\* Shane Bond's back to fitness. Or at least, what passes for fitness for a kiwi fast bowler, ie. he can play if the nuts, bolts, and iron bars in his back hold up.

\* Daniel Vettori's stepped up to a new level of prowess in the past year: scoring centuries, taking wickets again, and growing Elvis-quality sideburns.

\* The usual bunch of wildcards (McMillan, Vincent, Styris, Adams) are always likely to waft one over the fence. Or tonk one straight up in the air. Either way, it's entertainment.

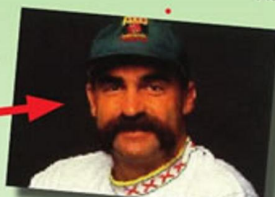

For now, we'll look at the world game, past and present, and pick our 12 best reasons to dig it:

**01** Merv Hughes's mo.

**02** Listening to it on the radio in the car when you're stuck in traffic and ready to kill someone.

**03** Ken Rutherford's humungous nose.

**04** Sledging!  
**Shane Warne:** "I've waited three years for this, and I'm going to send you right back to the fucking shrink."  
**Daryll Cullinan:** "Looks like you spent it eating."

**05** A batsman getting bowled without playing a shot. "D'OH!"

**06** More sledging! This time Glenn McGrath and chubby Zimbabwean Eddo Brandes.

**McGrath:** "Brandes, why are you so fat?"

**Brandes:** "Because every time I fuck your wife she gives me a biscuit."

Good outcome: Mark Waugh dropped a simple chance at slip in the next over because he was still laughing.

**07** Internal player squabbles!  
**Geoff Boycott:** "You've run me out!"  
**Ian Botham:** "Yes I have, you cunt."

**08** Fat men who are world class sportsmen. Step on up Inzamam "Who Ate All The Pies?" ul-Haq.

**09** Because the underarm will forever give us moral superiority over Australia.

**10** More sledging. During a test match in the West Indies, Merv Hughes didn't say a word to Viv Richards, but continued to stare at him after deliveries. Richards: "This is my island, my culture. Don't you be staring at me. In my culture we just bowl." Merv didn't reply... until after he dismissed Richards, whereupon he said: "In my culture we just say fuck off."

**11** Ian Healy's infamous comment which was picked up by the television microphones when Arjuna Ranatunga called for a runner on a hot night during a one-dayer in Sydney: "You don't get a runner for being an overweight, unfit, fat cunt!!!"

## THE SINGLES SCENE

**KELLY CLARKSON "Because of You"**

Whilst the rockers ("Breakaway," "Behind These Hazel Eyes") beat the ballad, this mush makes three winners in a row for the Ben Lummis that made it. "Because of you I never stray too far from the sidewalk" is an evocative expression of infidelity held in check and Kelly has really cool hair. ★★★★★

**THE VERONICAS "4ever"**

Presume these girls were grown in their record company's petri dish from some DNA left over from the Donnas. With a sprinkling of Desmond Child's jizz added for the huuuuuge chorus. S'alright. ★★★★★

**ELEMENO P "11:57"**

Another hit from the band identified as "the skinny guy, the fat guy, the *really* fat guy, and the chick with the push-up bra." Thought this song ("...it's 11:57 and I'm running out of time") was about trying to pull before pumpkin hour... but maybe it's just about mooching. ★★★★★

**PHARRELL ft. GWEN STEFANI "Can I Have It Like That?"**

The worst dressed man in pop teams up with

ANDREW X WITH CHRISTINA AGUILERA: "TOO BAD I SWALLOWED HER NIPPLE RING."

Every issue we review the songs that are making the whole world sing. We prefer singles to albums because three minutes of Crazy Frog is about right. — ANDREW X

the, err, most colourfully dressed women in pop and, after the five-star euphoria of "Hollaback Girl" it's a rare and slight misstep. ★★★★★

**WILL SMITH "Party Starter"**

Didn't Pink start this party already? Might explain why Will's shindig seems sparsely attended in the video. Anyway, for someone terminally unhip, Smith consistently churns out enjoyable shit. Compare with, to pluck a name from the sky, Noriega, who's "hipper" than Smith but sucks in every way possible. And then some. ★★★★★

**SEAN PAUL "We Be Burnin'"**

We be not sure what Sean "Two First Names" Paul is singing about but we be liking his voice. If not his grammar. ★★★★★

**CHARLOTTE CHURCH "Crazy Chick"**

Rare to hear real instruments used on a pop single. Played by actual humans! With cocks! Beyond that, whilst I wouldn't question Charlotte's ambition to be perceived as a coke-snortin', crank-pullin', cock-slobbering "crazy chick" (*de rigueur* for even being a female celeb post-Paris) the vocal here seems too contrived-crazy rather than on-a-drunk-bender-giving-hummers-to-footballers-in-nightclub-toilets-crazy. Which I don't doubt she does. So... a perplexing lack of sincerity? ★★★★★

**FAST CREW "Suburban Streets"**

The ascending "ahhhhhHHHHH" backing vocal sung by the chick just before the chorus? Makes this song. ★★★★★

**NICKELBACK "Photograph"**

What's scarier than hearing Chad Kroeger's can't-quite-squeeze-out-this-turd voice? How about seeing Chad Kroeger wearing make-up. So... not the easiest video to look at. Okay song, but to run it through the Who Owns This Title filter, not even half as good as "Photograph" by Def Leppard. ★★★★★

**AUDIOSLAVE "Doesn't Remind Me"**

The Audioslave singles have all been good. Even if I do tend to sit there just waiting for Tom Morello's unhinged guitar solos to cut through. Those have been outstandingly bonkers every time. ★★★★★

**COLDPLAY "Fix You"**

Put to music: the sound of a grown man wetting

his bed. And not in a golden shower on rubber sheets way, either. Which might've been okay. If Gwyneth was involved. ★★★★★

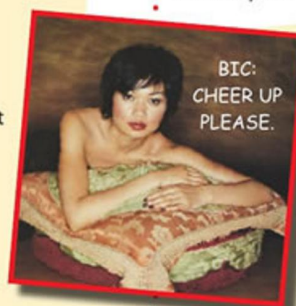

**SUGABABES "Push the Button"**

Nice ass on the Filipino chick. The song goes, ah, fuck it, *really* nice ass on the Filipino chick. ★★★★★

**BIC RUNGA "Winning Arrow"**

With Bic's sweet and silky voice, it's almost a shame she's so trapped in her own head when she writes songs, albeit great ones, but so often of pensive mood, depressive droop....

Bic establishing herself as the *Vigil* of NZ songwriters. Imagine, if you will, Bic's voice applied to songs of luuuurve. The day she records her Barry White tribute album is the day the world will melt. ★★★★★

**PUSSYCAT DOLLS "Don't Cha"**

Infidelity not held in check. ★★★★★

**PUSSYCAT DOLLS "Stickwitu"**

Whereas this's too smooched out for its own good. ★★★★★

**BON JOVI "Have a Nice Day"**

Not "Shot through the heart and you're to blame..." but a strong hook nonetheless. In keeping with the "one good song every three years" ratio Bon Jovi have adhered to since their glory days expired at the dawn of the 90s, this's that one good song. Not that any "rock critics" will agree. But then most rock critics hate music. ★★★★★

**MARIAH CAREY "Shake It Off"**

Popular with canines. ★★★★★

**BREAKS CO-OP "The Other Side"**

I lent some James Ellroy books to Breaks Co-Op's Hamish Clark some 10-odd years ago and he still hasn't returned them. Bastard. Not that I'm bitter. Oh no. This's a breezy beat with Dr. Phil chin-up lyrics. ★★★★★

**ROSITA VAI "All I Ask"**

Sir Howard Morrison's favourite singer gets the shaft with what's gotta be the most trite song since that Michael Jackson one about healing kids and being Jesus. Everyone knows the best moment of NZ *Idol* season two was NZX model Liz's "craaAAsh and burn" performance. That would've been a better single. ★★★★★

# THE HUMAN TORCH WAS DENIED A BANK LOAN: 2005'S BEST DVDS

Tons of DVDs came out this year and whilst we can't profess to have seen all of them, or to have been sober when we saw some of them, or not to have been fingering the girlfriend when we saw more of them, we can say we liked the following best:

## SHAUN OF THE DEAD

Yer typical Brit romantic comedy from Working Title with all that that entails, minus Hugh Grant, meets yer typical zombies running amok in the streets George

Romero flick with all that that entails, minus Americans. Nick Frost shines as the fat slob friend, and Dire Straits get an impromptu (and poor) record review.

**EXTRAS:** Tons.

**NUDITY:** None. Which is just as well. No one wants to see a craggy zombie ass. Or at least no one you'd want to sit next to whilst watching the movie.

## MILLION DOLLAR BABY

We avoid "Oscar winning" flicks as the "good for you.... but dull" pap they often are. This is an exception because (a) boxing themed movies are

often class (*Raging Bull*, *Rocky*, *On the Waterfront* if that qualifies), (b) Clint Eastwood is class, and (c) there's the wickedest broken nose you'll ever see. Or not see. Might wanna close your eyes for

that part.

**EXTRAS:** A whole 2nd disc. We'll get to that someday.

**NUDITY:** None. Just that manged up nose.

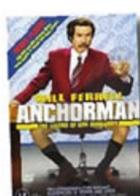

## EURO TRIP

Yer typical "teen gross out comedy". Which is to say, the best genre ever, and this one unapologetically crams in more tasteless gags and gratuitous nudity than *Road*

*Trip*. Making it better than *Road Trip*. Significant also for being a movie with Lucy Lawless in a cameo role that isn't complete crap (cf. *Boogeyman*).

**EXTRAS:** See how they filmed the nude beach scene. With 50 nude Germans. All men.

**NUDITY:** Tons. In case the 50 German penises have you frightened (and well you should be), there's also a nude beach with women. And as an added bonus, most of the nudity has no relevance to the story at all!

## ANCHORMAN

Will Ferrell's pompous Ron Burgundy is an instantly classic comic character. As is Steve Carrell's weatherman Brick, who steals the movie early on: "Years later a doctor will tell me that I have an IQ of 48, and am what some people would call, mentally retarded."

Hilarious all the way through. (Apart from the scene with Jack Black and the pooch.)

**EXTRAS:** Tons. Outtakes being the best.

**NUDITY:** None. Alas, Kelly Bundy keeps it all under wraps.

## HOUSE OF FLYING DAGGERS

The Echo Game/ribbon dance/fight sequence is yer proverbial "feast for the eyes", as is the thrilling combat scene in the bamboo

forest. The love triangle breaks no new ground, but visually, only the overly-sadistic *Sin City* matched this one for kicks.

**EXTRAS:** A whole 2nd disc with not much on it beyond a (good) making of doco.

**NUDITY:** Zhang Ziyi strips down, but doesn't show any bits. By which we mean nipples. Just some "side tit". Side tit is better than no tit.

## TEAM AMERICA

Fuck yeah! The *Southpark* creators turn their attention to global politics, destroy the Eiffel Tower, and decree the world as being divided into three archetypes: assholes,

wussies, and pricks. But the real triumph is the theme song, which will have you singing "America FUCK YEAH!" until someone slaps you.

**EXTRAS:** The deleted scene featuring the Ben Affleck puppet is the biggest laugh.

**NUDITY:** Err, yeah. Graphic "porno style" sex in multiple positions. Between puppets. The uncut US version apparently includes a golden shower.

## LIKE A VIRGIN

Were it out on DVD at press time, *The 40 Year Old Virgin* would've made our best of '05 list. Reeeeeeally funny movie. Instead we'll direct you to

Wicked's *Space Nuts*. This's the porno that the 40 year old virgin character is given to watch within that flick. A fully fledged "sex comedy" in 5.1 surround sound with a 2nd disc of bonus materials, *Space Nuts* is one of those "raising the bar" porno experiences. Starring Evan Stone and Stormy, it's a goofy *Star Wars* spoof meets hardcore sex. Also featured: "Byron's bird" Kaylani Lei. Who fucks a robot.

## REVING ON THE RED LINE

### A1 GRAND PRIX SERIES

Perfectly conceived right from the first round at Brands Hatch, A1 offered everything Formula 1 didn't: overtaking and none of the backroom spite that pervaded F1 in 2005. It's a fair guess that Formula 1 supremo Bernie Ecclestone shat himself. The NZ car impressed from the start (faded a bit in round three) and this series is not only set to stay, but should inspire others (ie. F1) to improve.

### V8 SUPERCARS

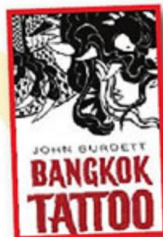

Ambrose vs. Murphy at Bathurst 2005. Murphy's right front clipped Ambrose's left rear as the latter attempted a pass across the top of the hill. Both cars spun out in a track-blocking symphony of destruction....and the finger pointing began. But who was to blame?

Erm, Greg Murphy. 100%. Though, of course, it's our patriotic duty to not blame the kiwi. So we'll settle it here and blame Michael Jackson instead. Because he's creepy. ☆

## "HER CRUMBS ARE BIGGER THAN YOUR CRUMBS... BUT IT'S STILL CRUMBS"

Bloodstains on the ceiling. A dress showing too much leg. A cop who falls for a prostitute. A dame who should know better. A severed head discovered by the railway tracks...

You know it. It — or something like it — has all been done before.

And then someone does it better. New, compelling voices in crime fiction are both a rarity and a thing of beauty. Look no further than John Burdett.

An Englishman by birth, Burdett worked as a lawyer in Hong Kong for 12 years before finding his muse as an author. His 2003 novel, *Bangkok 8*, set in the underbelly of Bangkok's red light district, established him as that new, compelling voice. One to watch for.

And now we have *Bangkok Tattoo*, Burdett's 2005 novel. It carries stamps of approval from genre heavyweights James Ellroy and Carl Hiaasen — attesting to the impact of *Bangkok 8*.

Thai detective Sonchai Jitpleechee is again the protagonist; Bangkok's red light district is again the setting. The book, again, is a scorcher.

We plundered on online interview for more info from John Burdett...

### What first brought you to Bangkok?

I worked in Hong Kong for 12 years during a period when it was said to be second only to Beirut in terms of stress — Beirut was in a civil war at the time. Thailand was the only place to really relax and I went about four times a year for most of those 12 years. The hospitality and good nature of the people is legendary and very seductive.

Where did you get the idea for *Bangkok 8* and

### the inspiration for its diverse characters?

I wanted to write about a Third World country and started out with Morocco in mind — one of my favourites. But the more I thought about it the more I realised that Bangkok had the greater allure and as soon as I decided to write about Bangkok I realised that the sex industry possessed that combination of intrigue, human interest and inversion of values which make a novel worth reading.

**Sonchai is very much a product of Bangkok's sex industry and many of the characters in some way find themselves having to defend the merits of prostitution. Was this an issue you set out to engage?**

I am somewhat embarrassed to give the impression that Bangkok is all about prostitution, which is not at all the case.

On the other hand, the sex industry is huge and once I started to investigate, mostly by interviewing the girls who work in it — tough research project — I began to admire them more and more. They frequently live on a pittance, practice Buddhist compassion by helping each other out with cash flow problems, send a huge proportion of their money home to support children, parents, brothers, sisters, often live as many as ten or 12 to one room, manage to dress better than most Western women and keep their spirits and sense of humour.

It might not be respectable but in my view it is definitely heroic.

**The tension between East and West pulsates**

### through your books. When cultures clash, how does one find a balance?

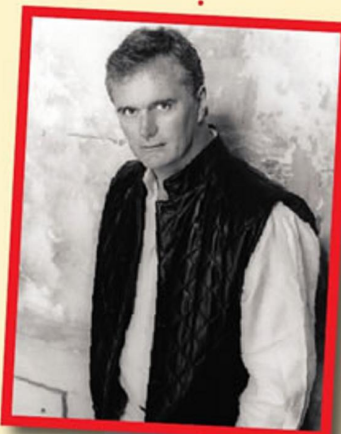

I don't think it's a question of balance but evolution. Although we are all too politically correct to say so, I have the impression that the West looks on the people of the developing world as having terrific potential as human beings once they dump those aspects of their culture, including God, which conflict with market forces. The Third World, on the other hand, is usually too polite to say so but often look on us as living weirdly fragmented lives which provide no real satisfaction, of the needs of heart, soul, stomach, libido or blood ties. The

difference is that a country like Thailand is addressing its problems and changing with amazing speed. Whether we are doing anything about our underlying alienation from our own humanity is a different question.

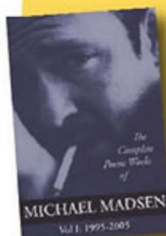

At the end of the day though I think there does need to be an evolution of value structures on both sides.

**Is there actually a place that resembles the Old Man's Club in Bangkok 8?**

No, but I would refer you to a conversation between Kimberly and Sonchai where Sonchai reflects on how accommodating the sex industry can be to Western misfits including the aged. The fact is that the East really does not have the cult of youth, except in Japan, and Viagra is on sale over the counter in every pharmacy in Bangkok — you could say that every bar is a de facto Old Man's Club, though not exclusively so. \*

## OH SHIT, IT'S MR. BLONDE

From the who-the-hell-knew files, actor Michael Madsen is a poet. Just like Charles Bukowski. Or Charles Manson. The star, co-star, or bit-part

of *Reservoir Dogs*, *Kill Bill*, *Sin City* and many other (less memorable, like *Species 2*) movies, has published *The Complete Poetic Works of Michael Madsen Vol 1: 1995-2005*. The book compiles several previous volumes of poetry. Sample verse:

"Yesterday I was the answer to 46 Down in a crossword puzzle in the L.A. Times"

## AGHARTA

Pelican's *The Fire In Our Throats Will Beckon The Thaw* CD awoke us from an "all new music sucks" slumber/snobbery. Bearing

the sonic stamp of Steve Albini's studio, it's an all-instrumental (just bass, drums, guitar) lurching ambient/prog/wall-of-noise heavy metal mulch. Which I guess makes it jazz. In the Miles Davis fusion/"I was into kinky sex" sense. Minus trumpet. And, despite its more austere, emulate-the-sound-of-teutonic-plates-on-the-move pretensions, perfectly apt as the soundtrack for all kinds of depravity.

# WHIPPING MARMITE TILL IT GOES WHITE

**AIM:** To confirm that Marmite, when whipped, goes white: as claimed by me for so long that I cannot remember if I made it up or not.

**APPARATUS:** Small (but surprisingly expensive) jar of Marmite. A bowl. A fork. Lots of men with strong wrists.

**METHOD:** The Marmite was scooped into a bowl with a fork, and then energetically whipped by yours truly for about five minutes. Having got meringue wrist at this point, the bowl was passed to other gentlemen to show their whipping prowess.

**RESULTS:** After a few minutes the mixture was getting noticeably lighter. Though slow, by the time the fourth man had his way with the bowl, it was clearly changing colour. It was also taking on an even more glossy sheen and increasing a touch in volume. This point was reached after 15 minutes (note the difference in colour of the marmite on the fork to that in the bowl)

After continued whipping the mixture continued to lighten. After about 30 minutes it reached the colour of butterscotch angel

delight (or just butterscotch). Further whipping however increased the glossy sheen but it looked unlikely that we would improve on barley white and get to a pure white.

A second experiment was attempted to see if the taste as well as colour was affected. Whilst many people in a open test claimed that the light Marmite (or Marmite Grand Cru as it had become dubbed) was less bitter, in a blind taste test no-one could tell the difference.

**CONCLUSION:** With the equipment (and wrists) at hand we did not manage to make the Marmite go white. Nevertheless reaching a state of gloss Barley White Dulux was enough to convince people that the story was, like most of my stories, not a complete fabrication. Furthermore, that Marmite Grand Cru takes up more space than Marmite, we suggest the Marmite company take it on as a secondary special edition which they could make even more of a killing on. — PETE AT FREAKY TRIGGER

# LOVE LETTERS FROM FIGHT FANS

## DAVID TUA VS. CISSE SALIF

The pride of South Auckland and proof that one million buckets of KFC can't be wrong, David Tua's second "comeback" fight was as lacklustre as his first against Talmadge Griffiths in Auckland. Which itself was essentially a replay of Tua's title fight against Lennox Lewis. That is, he was a bundle of inactivity in the ring. Until a flurry of punches with seconds to go in the final round. Punches which were finding their mark and begging the question: why the fuck didn't he do that sooner?

Squabbles over missing earnings, dodgy management, and exactly how low his Mercedes should ride kept Tua out of boxing for two years. Two of his prime years. On return, three issues will determine his success:

1) Does he still have it? It being a left hook that could topple a house. Or a small shed. Or, most memorably, John "The

Bum" Ruiz inside 17 seconds. No sign of it against Salif.

2) Does he still have it? It being the passion, the fire in his trunks, not only to get to the top, but to turn it on when he's in the ring. No sign of it against Salif.

3) Does he still have it? It being a shockingly bad haircut. No, the Kid N' Play meets Vanilla Ice days appear to be behind

David as well. No sign of a quiff against Salif.

One thing Tua does have — the support of a nation. We want to see the Tuaman do well and revisit the euphoria of his path to the Lewis fight.

When Holyfield stepped in against Tyson for the first time, he was a heavyweight without a knockout punch, a clue, or a chance. History proved that wrong.

VANILLA ICE: WORD TO YOUR MOTHER.

History proves lots of things wrong. Gifted a ranking opponent and banned from KFC, Tua still has a chance.

## SHANE CAMERON VS. JAMES WALTON

Cameron won by majority decision after the two

went toe-to-toe for ten rounds.

A few months earlier, Cameron had impressed against Adele Olakanye, winning by TKO. Walton, a solid opponent, was tougher. Two ticks for Cameron:

1) Faultless work ethic in the ring, ie. unlike Tua's recent fights.

2) Finally exhibiting a faint glimmer of a glimpse of some charisma. Even a slight echo of Tommy Morrison. Minus the movie star flair, flailing bombs, and future HIV status....but clearly a man on the up. — MR. XTRA

# ASK VINNIE

## ADVICE FOR THE DAMNED

**PSSST!!!** Got a sex problem? Then ask Vinnie! The genius behind [www.skullgame.com](http://www.skullgame.com), Vinnie Rose knows his shit... and can help with yours. Send your questions c/o [editor@nzxmag.co.nz](mailto:editor@nzxmag.co.nz).

### HE [AND HIS LOAD] AIN'T HEAVY. HE'S MY BROTHER

YO VINNIE,

I got a friend who comes over to my place JUST to jerk off. He'll ask if I'm going to be there, stop by, chat for a few minutes, "absent-mindedly" picks up one of my old jack mags and after a few minutes asks "you mind?" Usually nodding toward the bathroom. I say "whatever." And he goes in there, jerks off, comes out and then leaves. I'm not saying that I mind, but I'm just wondering what's the fucking deal? — E.H. (by email)

*Dear Spoogetel: What's the fucking deal? Lemme get this straight: a buddy calls you, comes over to your place and drops a load in your bathroom and then leaves? And he ain't married (I'm guessing) and neither are you (I'm guessing)?*

*Well I'll tell you what the deal is: you're fags. Thanks for asking.*

*No. Seriously. Without the mitigating influence of someone in the joint jockeying a 'gina, it's really just two dudes having sex. Actually one dude having sex and one dude aiding and abetting said sex. I mean how long before your help takes the form of a HAND? And then: an ass?*

*You see? There are hundreds of places to jerk off that don't include you, your place, or your jack mags. HUNDREDS...But he's chosen to introduce you and yours to his load. Sounds like a fucking love story to us.*

*Our advice? Ask him if he'd like to BORROW your mags. Or...even TAKE ONE...as a GIFT, you know? If he says YES, well, you've probably averted the awful spectre of an uncomfortable conversation had uncomfortably. If he says NO, well you got yourself a gay problem which you should probably*

*save and salve by offering him a SkullGame Gift Pak of HOMO NO MO', our patented solution designed to combat mincing, flouncing, and all other manner of the slippery slide leading to The Gay.*

*Good luck.*

### I SOB WHILE SHE SUCKS HER WAY TO STARDOM

YO VINNIE,

To make a long story much shorter, we went to meet some football players at a hotel and ended up partying with them and next thing I know my girl is sucking one of them off on the balcony. I wanted to do something but I didn't want to get kicked out of the party. We talked about it later, well mostly I cried about it and she said that it was nothing and I should get over it.

Since then it's happened with one of the guys in what used to be my favourite band. And one other time with a local newscaster. Should I be upset? I mean more than I sort of am already? — P.K. (by email)

*Dear Huggy Bear: Man, oh, man this is one fucking touching story of a man (not YOU you stupid motherfucker), a cock, a woman, and a pimp with a heart of shit and a noodle for a spine (THAT'S you, you fucking sissy).*

*I mean after the first time of you catching your sluice gate sucking sauce we here at NZX almost had some sort of feeling veering dangerously close to sympathy for you what with that scenario being an all-too-familiar one for us familiar with having our pipes in the tails of OMHs (other men's ho's) and whatnot.*

*But after the THIRD fucking time, like the joke goes about the guy who keeps getting raped by the bear, "you don't come here for the hunting do you?" You're the worst kind of celebrity fucker, pimp, and excuse for a hanger on that we've*

*ever seen. KATO KAELEN is DAG HAMMERKOLD compared to you. But here's the advice you so desperately seem to need: keep your girl from finding out as long as possible that she doesn't NEED you at all and you'll be just fine.*

### THE JOYS OF NOT HAVING SEX

YO VINNIE,

She comes over. Announces beforehand that she's not going to have sex with me. I followed

to a T your "Philosophy of Yeah Yeah: A Primer on Saying That Which You Do Not Mean... And Meaning It." Next thing I know she's got my cock in her mouth. She removes the cock at some point and repeats to me, "I'm NOT having sex with you," and then goes back to blowing me. Until I blow a load. Thoughts? — Riddler (by email)

*Dear Frank Fucking Gorshin: What befits a fucking president most? The parsing of the language to such fine points that all of a sudden*

*a cigar maybe don't look so much like a cigar anymore and if the culmination of this or any other act doesn't lead to offspring well, it ain't fucking, that's what.*

*Which means, as some hooker friend of mine first tried to reason, that sex with a condom wasn't really sex at all since a man with a condom on is not fucking a woman but is merely fucking the inside of a fucking condom.*

*Do you see why and how the world has gone insane?*

*List of non-sex but nonetheless load-bearing activities: any variant of cock in the mouth, hand, jug jugs, and if you really wanted to live on the edge perhaps make the point that sex with the condom is ALSO non-sex.*

*And if she'll buy that load of crap well you're load free. Free as the wind blows. Now if you'll excuse me I'm going to go back to not having sex with my fist, in the hopes that this will eventually lead to me not having sex with this 20-year-old's waiting chin, which appears to be waiting for my very non-sexual load.*

*Sheeiiitt.....whatever gets you through the night. ☼*

## THE NZX GUIDE TO "NATURE FILMS"

### SWEET CHEEKS #6

Anabolic

**Rating: FOUR** "Grab Your Gear" BUSTED NUTS

Why fuck the ass?

Why, for the same reason people climb Mount Everest...

because it's there. To be climbed. And fucked. And fucking climbed. The ass. The mountain. The ass mountain. All the same difference: it is done because it CAN be done.

And in the case of SWEET CHEEKS #6's cover girl, CARMEN, the rolling hills of ass are as inviting to an ass worshiper as a snow-capped death trap is to some fool wielding an ice pick, booties, and that frosty shit on their noses. Cocaine. Or whatever it's called.

But don't stop your exploration of Mother Nature's natural wonders there. Move right along to the scene with SANDRA ROMAIN, whose splendor ever improves with age.

So time to hit Mitre 10 for some rope, grip

tape and a pair of sturdy shoes. Oh, yeah; and lots and lots of ass gel. — STEELY ROB

### CHASEY LAIN SMOKIN'

Cherry Boxxx

**Rating: THREE** "You Got To Be Shitting Me" BUSTED NUTS

It stars CHASEY LAIN...

and it's called CHASEY LAIN SMOKIN'???

Anyone who follows the adult film industry would know that this is just too fucking easy. The AVN Awards a few ago were just rampant with whispered rumours of a Chasey Lain OD.

"I seen her pulled out on a stretcher" reports our own toothless source. "She was all hopped up on yum yams and goofballs," he says. With all that... it's either patently stupid to call any movie with Ms. Lain "SMOKIN'" anything, or if you subscribe to my school of thought, it's completely, mind-twistingly brilliant.

So, upon popping this gem in a jewel case into my DVD player the first thing I

was expecting was...you guessed it: Ms. Lain all up on the glass dick, hitting the pipe and any number of euphemisms for smoking crack.

Sadly, for me that is, there is none of that to be found. However brilliant that would have been; the boys at Cherry Boxxx decided to forgo the easy joke and focus on the fucking. And when given the choice to laugh or blow a load...you guessed

it again. I'm blowing a load. And there are plenty a load to be blown in this fuck flick. If you're a fan of Cherry Boxxx you will definitely

### BUSTIN' OUT WITH CANDY SAMPLES

Historic Erotica

**Rating: FIVE** "My What Buttery Thighs You Have Grandma" BUSTED NUTS

Imagine. If you will. That you're boning a woman. Her big, giant titties are threatening to do you serious harm. Her prodigious heft. Her vigour. All make you feel like you're riding a wilding bronco. And as you watch her face contort in agonised pleasure you watch her hands play idly in her hair. Which then begins to move. Yes, yes, because, of course, she has a WIG on.

Cancer victim? Concentration camper? Rogaine shipment lost? Tranny? The horror scenarios multiply as the answer asserts itself with a capital ASS: It's just CANDY SAMPLES!!!

And we LOVE Candy. The whole wig weirdness notwithstanding. It adds. Doesn't subtract. As does the quuuueeezzzyy stink of Police Gazette, Lucky Tiger, and liking Ike. Some say vintage porn is for guys who need to justify their porn with post-modern irony. Some say the old-timey feel feels less like modern exploitation. I say vintage porn is for those who just dig 60 year old sluts sucking and fucking. Of which I count myself one.

My only regret? The dearth of loads busted across her proud prow. For this we have to go to later day JOHNNY HOLMES loops. And even then these are busted only on her bumptious protuberances. Which is how big-titted tricks try to trick you: here...here...come on my TITS!!! Well I, for one, will not be fooled: the face, the whole face and nothing BUT the face, so help me God. — VINNIE ROSE

### GANGBANG AUDITIONS #12

Diabolic

**Rating: TWO** "Tom Cruise Is A Great Actor" BUSTED NUTS

Homosexual viewers and latents alike are well served by the presence of:

1. Double anal.
2. Double vaginal.

3. The chance to contemplate BRIAN PUMPER'S solid wrap of hair.

4. Lots more DP aka. all-I-see-is-man-ass.

5. SCARLET O'WHORA, who looks like a transvestite.

Non-homosexuals can revel in the presence of LUCI THAI who, when not buried under an avalanche of man-ass, remains one of the

hottest chicks to ever get down on her knees and suck off five guys who've just fucked her in the tradesmen's. Her body's close to perfect and I salute her. With spooage.

LUCI's half-Thai, half-Cambodian. I pulled a Cambodian chick last month so I'm feeling the synergy here. Not that I fucked my chick in the shithole. But then I didn't have four other cocks bobbing around my nose at the time either. Which, frankly, is a winning exchange.

Also good for non-homosexual viewers is Kraut VICTORIA SIN who, when not rounding people up for the chamber, takes cock like a champion. — **MR. XTRA**

I watched this movie and scanned the box and wondered aloud...."Hmmm, I say, would they make a movie WILD YOUTH: GIVING IT UP TO THE CHINA MAN? or.... WILD YOUTH: GIVING IT UP TO THE PUERTO RICAN GUY OR THE PAKISTANI GENTLEMEN AROUND THE CORNER?"

Somehow I don't think so. Nothing says "let's tear it down, man!" like "WILD YOUTH: GIVING IT UP TO THE BLACK MAN."

Starring fresh-faced, deer in the headlights looking KINZI JOE opposite three big, black dudes this outdoor sex scene just screams "You are not doing that in MY fucking house!" Pony tailed and wearing a little pink outfit to match her little pink pussy this scene certainly was deserving of its spot on the box cover.

Second scene in is none other than braces-wearing pony-tail-sporting LEAH LUV. Leah stars opposite WESLEY PIPES. Also making an appearance in this scene are Wesley's ill-advised tattoos and as a special guest star, his nine-inch dick; that for the most part steals the scene with a little rendition of "prolapsed colon anyone?"

## REFLECTIONS

Adam & Eve

**Rating:** ONE "Ever Have One Of Those Not-So-Fresh Days?" BUSTED NUTS

KATIN DEMONSTRATES THE FINER POINTS OF ELASTIC ASS.

REFLECTIONS. Great name for a tampon commercial. Or a docu-drama about gay teens. OR, apparently, a movie from Adam & Eve

about fucking mirrors or something. A movie, not incidentally, that has me reflecting on a lot of things. Namely, tampons, gay teens and the fact that despite all of the money spent on this barely suitable attempt at "couples" porn, it still sucks.

In fact it sucks so bad I'd have given it a ZERO excepting that I do believe it's useful for something. That something mainly being my discovery of its usefulness as ANTI-PORN. Sure, sure, this is like those Scared Straight TV shows where troubled teens get threatened with anal rape by anal rapers for the amusement and bemusement of all of those fans of teen anal rape. Well, this movie is like that.

And the weird thing is: lot of these actresses

have done good work elsewhere so the fault clearly lies with Adam & Eve, a well-known scrub motherfucking production house run by, apparently, haters who hate, in no particular order: porn, pussy, and, yes, probably your cock.

My advice? Get it for someone you hate.

## THE ANAL TEAM

Video Team

**Rating:** TWO "I Pity The Fool" BUSTED NUTS

Not a porn version of *The A-Team*, thankfully, cos no one wants to see a female

MR. T. Well no one I know. Well no one I know that'll admit it. Well no one I know that'll admit it to ME, at least. But rather, to quote the box: "Director ELI CROSS has opened up his private archives to expose porn's sexiest superstars indulging their backdoor fantasies."

And the first girl's backdoor fantasy is...to get saugased by MR. T!

Uh, no. It's footage of AURORA SNOW, FLICK SHAGWELL, RUBY, VANESSA MACKENZIE,

PHYLLISHA ANNE, and not MR. T, taking manplow, predictably, in their respective rectums.

Looks like the girls were shot anywhere from two to six years ago. Though, weirdly, some of it has a late-80s vibe. I'd put that down to the rudimentary lighting and ALEX SANDERS' hair. His long, long flowing faggoty-assed faggot hair.

But AURORA and FLICK are whores who fuck like whores and that's good. PHYLLISHA looks like a crack whore, probably IS a crack whore, fucks like a crack whore, and that, surprisingly, is also damn good.

Her scene's filthy, hole-swapping sex virtually GUARANTEED to give her a urethral infection (the cock constantly switches from pussy to ass to pussy)!!! Too bad the entire proceedings parade before us for what seems an eternity, heavy with the faint and sometimes enjoyable whiff or waft of desperation. — MR. XTRA

## PRIVATE CHATEAU #2: A SHADY PAST

**Private**  
**Rating: THREE "Ho Hum Ho" BUSTED NUTS**

Something's definitely

askew in someone's mind when the guy getting the most play in a porn movie is the oldest fucking actor anyone can find. The fat fuck in question here is that Italian pig REMIGLIO something or other, the guy whose pontoon dick looks like it's been floating around a New Orleans neighbourhood for the past couple months.

It's nearly fascinating – a couple shades away from erotic. Maybe Private should have made ALL the scenes involving this guy, who by the way takes off as little clothing as possible in order to do the deed. Who's got issues? Not us.

The whole *Private Chateau* story is not even done yet, and it's about petered out. At least the sex is still pretty hot, albeit in the sporadic, snapshot way the first installment of this series is. Whoever killed this minor, inconsequential character? Who fucking cares?

There are two sleeper hits in this video. One is the 60-something French guy who you can tell is really trying to get into his part and acting his heart out. He probably wishes he was getting laid, too. Rather, his glory is instead spent on drama queen glares of the oui-oui variety at the woman playing his wife, who is probably younger than the one playing their daughter.

Why don't old broads get any fucking respect?

The other big hit is the old timey, flashback scene having to do with another bullshit aspect of the story that barely holds together, in which a servant woman gets all turned on by a guy in the next room, and fiddles with herself while

her Renaissance dress provides a fine framework to her yummy skin. Hey, can't we also get caught up in all the high production art?

TAYLOR RAIN'S ASSHOLE: "WHAT'S NEXT? A NIGHTSTICK? GREAT. THAT'S JUST FUCKING GREAT."

This's director JONNI DARKKO'S debut for *Evil Angel*. If I knew what he'd done previously, that might mean something. Anyway, great title! Makes me think of *Desolation Angels* by KEROUAC. That was a very reflective book. In fact, reflecting on it now, I recall that I've never actually read it.

Hot cast: LAUREN PHOENIX, ALEXIS MALONE, JENNIFER "It's Dick I" LUV, KAYLYNN, KATRINA "It's Dick I'm" KRAVEN, and the nightstick bitch above. Who talks to her husband, SCOTT FAYNER prior to their divorce we guess, on the phone in the behind-the-scenes. He's in prison. Gotta applaud the continuity on that.

Watching ALEXIS and JENNIFER together with a dude, I fully realize that MFF scenes beat MMF scenes every time. More femme-flesh to gawp at for a start. And you're guaranteed no damn DP. Unless girl #2 wants to dip her tongue in. And we encourage that. We clap that with one hand.

Oh yeah, TAYLOR also does ass-to-mouth with the baton. And whilst that's, shall we say, fucking hot, it kinda makes me wanna switch over and watch reruns of *COPS*. — MR. XTRA

## ONE NIGHT IN PARIS

*Red Light District*

**Rating: FIVE "Witness The Goddamned Awesome Nut-Busting Power Of Celebrity While PARIS HILTON Squirms" BUSTED NUTS**

This. This...is...so right, from so many different points of view. Sooooo many different points of view, that I don't even know where to goddamn start.

So I'll just start at the best of all possible fucking places to start: all over the goddamned place.

Who is this slut PARIS HILTON? I mean in a universe UNTainted by the hand of Satan, she's chewing gum and working at McDonald's drive-through...two damned near impossible tasks if you're her...and getting fucked by frat boys with nice cars on weekends.

But because this slag owns \$69 mil of the world's most wretched hotel chain we cannot escape her inescapable celebrity that for no single good reason, for no several good reasons, taints the very air we breathe. She darkens the day with the terrifying import of her ubiquity. She's like the Second Millenium's ANGELYNE (think LA's archetypically psychotic billboard bang pot). And, much like Angelyne, she JUST...WON'T...GO...AWAY.

So whenever it gets to be a little too much. Whenever you start realising that you've thought more about her, her fag boyfriend, and her TV show than you've ever thought about YOUR OWN GODDAMNED MOTHER that day, then pop this in.

Yes, yes, pop it in.

Isn't that better? Finally a celebrity doing something, anything, that might actually improve the karmic bottom line. A little sucking, a little fucking, a little inane chatter, and a 19-year-old millionairess in knee highs and fuck-me pumps getting a facial cumshot?

It not only doesn't get any better than this, it just WON'T. — VINNIE ROSE

This's my first DVSX product and they do a fine fucking job. Smart boxcover design, satisfying DVD features, and a good cast of hot Asian bitches.

VERONICA LYNN, KYLIE REY, and ANNIE CRUZ appear. ANNIE'S anal is welcome but the geisha girl make-up she and KYLIE wear makes 'em both look fugly. Neither chick's Jap, anyway, so I'd say the concept's gone comfortably awry. Bit like the war did.

LACEY TOM'S reverse cowgirl is outstanding: floppy tits bouncing around, shaved snatch right there in your face, and from this angle, you can't see her only weakness: a bony ass.

Surprisingly, she turns in the best scene.

Surprising cos she's up against proven favourites AVEENA LEE, MIKA TAN, and LUCY THAI; all of whom do good, and CHARMANE STAR, who doesn't. Though for this I blame her partner, steroid-in-human-form NICK MANNING, who's "Choke on it bitch" antics single him out as someone who needs a hug.

Who says you can't have a movie with great sex and a great story line?

I know, I know, Digital Playground tries it all the time, but their stuff sucks.

Well this isn't Digital Playground and this

doesn't suck. Video Team has put together a movie that mirrors real life in some respect;

granted it's the life I wish I lead, but it certainly has some aspects of reality jam packed with all the jealousy and pettiness that usually goes with it.

SAKURA ANGEL features the most believable lesbian I have ever seen in a movie, NYOMI MARCELA and VERONICA LYNN. (Realise I generally hate these types of scenes but I loved this one.) A two chicks and a dick scene starring KYLIE REY and ANNIE CRUZ that had all the stress that goes with it in real life. Trust me, I been there. And last but not least a scene that was as far fetched as it was well acted; starring LUCY THAI and NAKIA TY in a five-way three-guy two-girl fuckfest that most assuredly will have you coming for the wine and staying for the cheese.

## BIG WET ASSES #5

*Elegant Angel*

**Rating: FIVE "A Change Of Scenery Will Do You Good" BUSTED NUTS**

After the release of the cult classic debut, the BIG WET ASSES line was steadily becoming both blander and weaker. They tried to make up for it with even stupider ways to apply coats and coats of lube on/to women: last time we checked they had some kind of industrial paint contraption, but nothing could hide the fact that the series needed help.

And so director THOMAS ZUPKO turned to the great muse of porn, Eastern Europe. Amen.

All the women in this movie are amazing. They misspelled ANASTASIA CHRIST'S name, though, forgetting to include the several exclamation marks after it. That's the only thing you'd be saying, too, if you saw this girl both still and in action. Suffice to say if she had been the prophet in old Bethlehem, spaghetti and matzah balls would be a hallowed Italian meal.

They're ALL fucking amazing, with those faces that only the East Euro girls have. They're white, but they're still fucking exotic, and they all take it up the ass like that's the only thing theirs was built for. Take a look at LAURA LION and give your best shot at a roar. — **STEELY ROB**

THE PRIVATE STORY OF MIA STONE consists

of, guess who, getting fucked, fucked, fucked, and well, fucked again. Yup. Her. MIA STONE. Getting fucked. Again and again. And again. Jesus. It's like being married to her. Anyways on the box front it says like so: "beautiful...horny...explosive!"

Like a bomb. Or a venereal disease. Or a concept that's as cross-headed as it is wrong. You see, those of us who also watch porn for business, as well as pleasure, like it because it doesn't exactly DUPLICATE the lives we lead, which are frequently full of having to repeatedly pork the same hole day in and day out. Like it was a job. Like it was a fucking job. So into about the 140th fucking minute of seeing All Mia All the Time, well we feel like cheating on her by watching some other porn. Preferably one with more than ONE ho in it.

Anyways, it all ties up with the climactic surprise ending of Ms. STONE...receiving a...gigantic payload of liquid kids across her face. In between all of that is PRIVATE's usual Vivid-esque soft-core Spank-O-Vision, a far cry from their early gonzo-esque strivings, that you and the little ol' lady can snuggle up together and watch while waiting to die.

I hope I didn't ruin the ending for you. — **HABIB**

## NET GIRL OF THE MONTH

This is Adele. She's from America, looks like the girl next door, and behaves exactly like the next door. That is, providing the girl next door has no qualms about piddling in the spa pool.

According to her website profile, Adele's main sexual fantasy is "meeting some girls with a guy friend and all start partying and getting intimate". Which may or may not involve a spa pool, but it's a fine place to start.

Adele's hobbies include "creative stuff like drawing, painting, listening to rock music, and making [my] own clothes." Not that she needs clothes. We like her just the way she is. Apart from the yellow tinge in the pool.

Swear to God it was a fucking trick question. At 44 Double goddamned D it had to be a trick question and I was at least feeling like I was trapped by the trick question while she sat up over me and fingered her bra, taking out one of her 8 pound wonders, first, before switching to the other which came flowing out like root beer. Or better yet: lava. All of that goddamned sex spread across her chest and her clearly waiting for an answer to a question which I didn't know if I should answer, if I could answer, if I even wanted to answer:

"Are you a breast man?"

I mean it broke down like this: admit to a weakness or like a Bush administration member, deny, deny, deny?!?! I mean if I ADMIT to an inordinate affection for big, giant, juicy tay-tays then I've admitted to the possibility that I'd let her get away with murder JUST to keep them hugga-mugs around. But if I deny, much like a Bush cabinet member, I eventually get fucked (not the good way) because she figures "why force him to enjoy that which he is lukewarm about?"

And I?

Pulling my unit from the tightening folds of my trousers and jamming those jugs together before oh-so-gently placing first my luge and then my load between them I said very simply.

You know the kind: where you wake up a few hours later with your cock in a sock and a total inability to remember how it got there.

Yup. That's what this site is for. Tune in, jerk off, drop out. Sweet dreams.

## WHEN STEALING IS OUTLAWED, ONLY OUTLAWS WILL STEAL

Oh yeah!

A little something for the cheap fuckers out there. And don't think we don't know EXACTLY who the fuck you are. Yeah, everytime I'm at McDonalds taking ketchup packages I see you in there taking ketchup packages.

AND the paper napkins. You thought I didn't notice, did you, jerk off? Oh I did. I also know everytime I'm stealing shit paper from work that you're in there stealing shit paper from work. I only hope you get caught out there during an important meeting and you got nothing to wipe your ass with. Then you could go back out there and meet with Mr. So and So with ink staining your palms, shit caking your ass (you're lucky you had that newspaper I stole and left in there), and a get-over grin on your face.

Well, this one is for you. You cheap fuck!

Working Passes brought to us by the computer jocks who like, surprise, surprise, Internet porn. Narrows it down, don't it? Well, you could never say Sal was a stool pigeon. I mean if I were going to start dropping secrets here and there I would drop a dime on your shit paper heist.

Toilet paper!?!

You should be goddamned ashamed of yourself. Making me go to the 4th floor to steal my toilet paper.

But I digress.

Again.

Workingpasses.com has loads and loads (all puns intended) of working passwords and links that will open directly into the site, most of the time there's even no need to type in the password as the hyperlink included brings you directly into the members area.

Now, don't say I never got you nothing.

You stingy, cheap fucker! — **ITALIAN SAL**

[www.workingpasses.com](http://www.workingpasses.com)

# RIPPING THE ASS OUT OF THE PANTS OF REAL FAKE NUDE WRESTLING!!!

ITALIAN SAL fights. VINNIE ROSE fights. Shit, even ANDREW X fights, albeit very, very, very poorly [*I'll take youse all on!* — Ed.]. We ALL fight.

In fact if there was one common factor like GODDAMNED GLUE holding this fucking jalopy together it's that we are just as likely to start whipping up on your ass for any variety of real, or imagined, slights, as we are to sit in front of your house with a silenced Walther PPK for laughing at one of our jokes a little too long.

What's that supposed to mean?

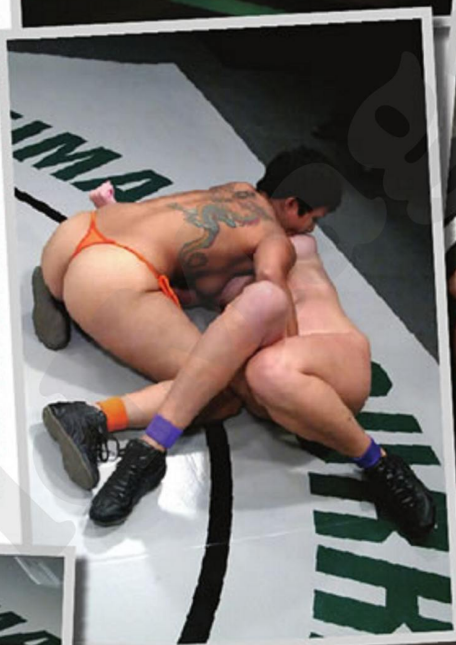

We don't know. What we DO know is that when cruising around the web for cooze and stumbling instead on this dealie we have figured out that which we should have figured out a long time ago: only HOMOS fight with other dudes for recreation. And so we are now redoubling our efforts to continue our fighting ways as much as if not more than before. The one small change?

Naked, faked titted sluts.

We will fight them. And we will be naked when we fight them. But we will fight them on the beaches. We will fight them in the trenches. We will fight them in the front seats of our cars. Because victory in and of itself has never tasted so sweet as when it's supped through a slippery slit. Or a straw stuck in a tropical fruit drink. In any case we think you get our point:

Fight naked broads!

# LIVING IT UP WHEN I'M GOING DOWN AKA. LOVE IN AN ELEVATOR

She was a very sexy 19 year old. Long straight hair, pretty eyes, nice smile.... and a body to die for. She had some of the sexiest tits I had ever seen.

We met on the internet. We chatted online for a few weeks, but one night in particular she told me about a fantasy of hers. I asked her how adventurous was she; she said not that much but she was willing to try something. Her fantasy was to be fucked in an elevator. Well there's plenty of those in downtown Auckland but most can get pretty congested. Except for one I knew of in the city centre...

We discussed it and I started to put her in the mood by suggesting certain things, like what to wear and how we were going to achieve this. A week or so later she decided to try it. I was taking her to town to do "some shopping".

I picked her up from home. As she stepped out she was gorgeous. She wore a halter top and a skirt to her knees and a pair of heels. My dick just sprung to life but of course I could not let that show right away as she got in the car and we drove. She seemed a bit nervous so I began to put her at ease by talking about every and anything.

I asked if she was ready and she said sure, but was quite nervous. I wore pants with a draw string so it would be easy access; I was ready!

To get her in the mood as I drove along I began massaging her thighs. Working my way down, my hand slid under her skirt; I was not too surprised when I realised she did not have any panties on because that was one of the things we discussed.

I began to massage her outer lips and felt the wetness of her pussy as I slid a finger into her. She let out a soft moan as she rested her head back and bit her bottom lip. Without saying anything she reached over and started massaging my dick. By we were on our way up into the car park. It was kind of empty, but I went to the top floor so we could get a longer ride down or up.

As I parked we started to kiss and I asked if she was ready. We got out of the car and headed to the elevator. Before the doors could open she pulled me close and started to kiss me passionately. As the doors opened we got in. Not wanting to lose any precious time, I leaned her facing the elevator walls and with one motion flicked her skirt above her waist.

My dick was aching to be in her as she spread her legs and bent over. With one motion my cock slid deep inside her. Her pussy was very wet and inviting; her lips wrapped around my

dick pulling me deep into her. I started to ride her deep and hard... she released some soft moans.... I just gripped her hips and rode even deeper.

I heard her say softly, "Please give it to me" and I began to pump faster to try and bring myself to climax before the elevator came to a stop. Alas, the lift started to slow and, hard as it was, I pulled out and we fixed ourselves and exited.

She whispered in my ear as we walked through the shop, "I want you in me again." We hurried to do our business, came back, paid for the parking and headed back to the elevator. This time as the door closed I pushed her back, telling her to hold on to the bar inside. She propped herself up and spread her legs and I pushed between them.

I inserted into her and she just lifted her legs and wrapped them around my waist. I started to grind slow and deep into her wet pussy, kissing her on her neck. She began gyrating her waist taking me deeper into her, I looked up and saw

it was coming to the 4th floor. We were parked on the 7th.

I turned her around and started to ride her pussy deep and fast and, again, just before I could climax the elevator slowed to a stop. We hurriedly fixed ourselves and exited at the 7th floor... just as someone else got in.

We were both feeling pure ecstasy from this experience.... it was like we had to have each other. I hurried to open the car but that didn't work as I fumbled the keys. So I laid her back on the hood of the car, dragging her to the edge and I inserted into her once again, wrapping my arms around her legs.

I began to ride her deep and hard... I just wanted to cum... she let out an orgasmic moan.... without thinking I came deep in her.

I leaned over and kissed her, and asked how was it, but she was too spent to answer. We got in the car and were out of there. On our way home we talked about the experience.

And that's when she said, "We have to try the beach." ✪

IS THAT GOING UP TOO?

# INTRODUCTION TO LUST!!! OR HOW I GOT MY COCK SUCKED

Let me start by introducing myself. My name is Ben, I'm 28 years old and I live in South Auckland. I'm a fitness and psychology coach for a group of professional sportspeople. I'm 6 feet tall with short, messy brown hair, brown eyes, and a build that is best described as athletic. I like to run and swim to stay fit.

I've been with my girlfriend Chloe for two years now. We started going out after meeting at a dinner party hosted by a mutual friend. Chloe is 22, has shoulder length, frizzy blonde hair and a slim figure that makes nearly every guy jealous of me.

To make things even better, she has lovely 34c breasts and a tight, juicy pussy that is to die for... but more about that in a minute!

The first night we met, Chloe and I got on really well. We chatted, flirted and laughed together like we'd known one another for years. Initially I thought she was quite timid and innocent.... little did I know about the dirty devil that lay beneath the angelic exterior!

That night I invited her out to dinner with me the following week, and no sooner had we started dating than our amazing relationship sprang straight into life.

After enjoying a great meal together at a restaurant in Papatoetoe, we headed back to my flat for a nightcap. During the taxi ride home we chatted and laughed some more, then we suddenly kissed, passionately - a kiss that lasted the entire journey.

No sooner had we gotten through my front

door than we were undressing one another, urgently seeking the same sexual buzz. I was a little surprised by her urgency... but was not going to complain. We fell into my bedroom at the same time that Chloe unclipped her bra to reveal her amazing breasts. They are incredibly pert and her nipples are possibly the most sensitive I've ever experienced.

I immediately began to suck on them as my hands slipped into the waistband of her knickers and pulled them down her legs. Pushing her down onto the bed I lay next to her, now wearing just my tight fitting boxer shorts, and started to slide my fingers inside her as I continued licking and nibbling her nipples.

Her quiet, lustful moans spurred me on as my fingers realised just how tight her pussy was. It was amazingly hot and wet and my index finger worked its way in gradually.

Slowly I kissed my way down her body as I continued to finger fuck her. She squealed loudly as my tongue found her clit and I began to lick it as my fingers worked her dripping hole. It didn't take long for the dual assault to cause her to orgasm and I slowly kissed her wet pussy lips as she eased down from what she later said was her most intense climax to date.

I lay next to her again and kissed her softly. Her hands began to stroke the unmissable bulge in my boxer shorts. A few seconds later she had me on my back and had slipped my boxers off to reveal my hard cock. Now I'm the first to admit that I don't have the biggest cock

in the world.... but I think I have more than many guys.

Clearly it was more than Chloe had ever seen as she let out a surprised gasp when she first saw it. The size didn't put her off though, as she soon had her tongue running up and down my shaft, then seconds later she was taking me inch by inch into her mouth. The sensation was wonderful and I just lay back and enjoyed her expert sucking.

Moments later I was pleasantly surprised to feel her nose pressed against my stomach.... somehow she had managed to deep throat me at the first attempt. After getting used to having so much dick in her mouth she began to slide up and down my shaft, licking and sucking brilliantly, pushing me quickly towards an orgasm.

As her pace increased I put my hands on her head and raised my hips, pushing my cock as deep as I could before erupting and emptying my aching balls into her mouth. Not surprisingly she spilt a lot of it, but swallowed plenty, staring into my eyes and smiling greedily!

That night we spent about four hours fucking in almost every position imaginable. Her pussy felt even tighter around my cock than it did my fingers and we both knew that it was just the beginning of an amazing relationship.

We've lived together for six months now and have plenty of stories to tell you about our sex life. Maybe we'll share them with you sometime.... if you're interested! 🍆

## WHAT THE FUCK ARE THEY YELLING?

KIWIGIRL SHAWNEY:  
NZX #42 COVERGIRL.

### PIERCED PUSSY

Great seeing Hamilton hottie Shawney back in the mag... though I was disappointed that she showed less than in previous shoots! I'd really like to see her pulling her hot labia apart and giving us some pink. Next time? My commendations and a fistful of jizz to 18 year old Li'l Pippa — loved her attitude and the close ups of her pierced pussy.

**The Shaft, Hamilton.**

### ON MY COCK

Man oh man! The photospread of Jamie-Lee in NZX #40 was one of the best I have seen in the magazine. She has a top notch body that I'd really like to get to know sex-wise... but that

it on the hood of a Merc. Much as I appreciate how a PDA could get out of hand, I thought these rich folks had homes?

**Anonymous, Auckland.**

*Probably where the wives and husbands are — Ed.*

### STRAIGHT INTO HER PUSSY

Couple years ago I was in Degree bar at the Viaduct and there was this Maori chick in one

can only happen in my dreams. Thanks also to kiwigirls Lani and Kiera. Their pics were great to look at.

And NZX #41 — what a knockout kiwigirl Melody, the student model search winner is. Great ass. Really enjoyed the pics of kiwigirl Dana. She can sit on my cock any time she wants. And top notch photos of US porn star Tear Patrick — can we have more please?

**Stephen, Tauranga.**

*Yup. Page 23 is just for you — Ed.*

### AT IT

I was walking through Birdwood Cres in Parnell on a Saturday night, just a bit drunk, and there was a couple going at

### LETTERS TO THE EDITOR

We welcome your feedback. So do the models. Email [editor@nzxmag.co.nz](mailto:editor@nzxmag.co.nz) or send your carefully considered prose to The Editor, NZX, PO Box 28-051, Remuera, Auckland. Got a good joke? Had a good bonk? Seen a hot chick's skirt blow up in the wind? Tell us!!

of the booths. A bunch of guys were crowding around her so I moved in for a closer look. She was being felt up by all these guys! About eight of them, hands working over her tits and up under her skirt. I waited for a turn and joined in. Slipped my hand up her thigh and my fingers slid straight into her pussy — wet as anything. Horniest chick I've ever met; said she went there just to get felt up... and fucked!

**XXX, email.**

*Err, next time, send us an invite — Ed.*

### MORE PUSSY

How do I get more pussy?  
**Hoob, South Auckland.**

*SPCA? — Ed.*

### PULL MY COCK

I heard a good joke. Bloke's dating a deaf chick and says, "We need a system for sex. If I want it I'll squeeze your left tit. You pull my cock once for yes or 253 times for no."

**BV, Dunedin.**

### PIERCED TIT

Li'l Pippa may be li'l but she made my cock real big! She's a cutie and I'm digging that pierced tit. Thanks Pip!

## JOKES

A man walks into a chemist with his 8-year old son. They happen to walk by the condom display, and the boy asks, "What are these, Dad?" To which the man matter-of-factly replies, "Those are called condoms, son. Men use them to have safe sex."

"Oh I see," replied the boy pensively. He looks over the display and picks up a package of three and asks, "Why are there three in this package?" The dad replies, "Those are for high school boys, ONE for Friday, ONE for Saturday, and ONE for Sunday."

"Cool" says the boy. He notices a six pack and asks, "Then who are these for?" "Those are for college men," the dad answers, "TWO for Friday, TWO for Saturday, and TWO for Sunday."

"WOW!" exclaimed the boy, "Then who uses THESE?" he asks, picking up a 12 pack. With a sigh and a tear in his eye, the dad replies, "Those are for married men. ONE for January, ONE for February, ONE for March..."

HOW TO: SPOT THE RICH GUY!

## CHAT ROOMS

Hi, You sound real cute! How old are you and what do you like doing after school?

I am 14 and a bit of a fitness fanatic. I often go power lifting after school.

"DOES THIS THONG MAKE MY BUTT LOOK BIG?" "ERM, NO DEAR."

## BILLY CONNOLLY'S EMAIL CHAIN LETTER

Hello, my name is William and I suffer from guilt for not forwarding 50 billion fucking chain letters sent to me by people who actually believe that if you send them on, a poor six year old girl in Queensland with a breast on her forehead will be able to raise enough money to have it removed before her redneck parents sell her to a travelling freak show.

And, do you honestly believe that Bill Gates is going to give you, and everyone to whom you send "his" email, \$1000?

How stupid are we?

Ooooh, looky here! If I scroll down this page and make a wish, I'll get laid by a model I just happen to run into the next day!" What a bunch of bullshit.

Maybe the evil chain letter leprechauns will come into my house and sodomize me in my sleep for not continuing a chain letter that was started by St Peter in SAD and brought to this country by midget pilgrim stowaways on the Endeavour.

Fuck 'em.

If you're going to forward something, at least send me something mildly amusing. I've seen all the "send this to 10 of your closest friends, and this poor, wretched excuse for a human being will somehow receive a nickel from some omniscient being" forwards about 90 times.

I don't fucking care.

Show a little intelligence and think about what you're actually contributing to by sending out these forwards. Chances are, it's our own unpopularity. The point being? If you get some chain letter that's threatening to leave you shagless or luckless for the rest of your life, delete it. If it's funny, send it on.

Don't piss people off by making them feel guilty about a leper in Botswana with no teeth who has been tied to the arse of a dead elephant for 27 years and whose only salvation is the 5 cents per letter he'll receive if you forward this email.

Now forward this to everyone you know. Otherwise, tomorrow morning your underwear will turn carnivorous and will consume your genitals.

Have a nice day.

PS: Send me 15 bucks and then Fuck Off.

# MAGNA-RX+

THE WORLD'S #1 BEST-SELLING  
ALL-NATURAL MALE  
PERFORMANCE FORMULA

## Improve your confidence

Sexual confidence, that is.

Improved confidence is just one of the benefits reported by men using the MagnaRX range of products. Formulated by renowned urologist Dr George Aguilar, the Magna RX range is designed to improve men's energy and help men to enjoy optimal sexual performance.

There are two key products in the MagnaRX system; use them singularly or together.

The first is a natural, herbal nutritional supplement taken as a one-a-day tablet. Magna RX+ tablets contain a synergistic blend of herbs and nutritional supplements traditionally used as aphrodisiacs and to support the healthy functioning of the male reproductive system.

The second key product is the Magna RX Transdermal, a topical lotion containing a similar blend of herbs and nutritional factors that is applied onto the penis so that it can be absorbed through the skin directly into the target tissues. *Only moments after you rub it in, you'll begin to feel the powerful botanicals going to work as it safely and effectively increases blood flow for maximum stimulation and results.*

Question: Do I have to have a problem with sexual performance to benefit from using the Magna RX system?

Answer: No, not at all. Many of our satisfied customers have not had any issues with sexual performance; they simply use our product because it helps them (and their partners) enjoy sex more.

### 100% MONEY-BACK GUARANTEE!

We are so confident that MAGNA-RX+ will transform you into another HUGELY SATISFIED MAGNA MAN that we offer you an UNCONDITIONAL 100% 30-DAY MONEY-BACK GUARANTEE.

## For Maximum Male Performance
